Directions from the A329M:

- Follow A329M to the main Reading A4 turn off. When on the slip road stay in the outside lane.
- At the bottom of the slip road you will come to a roundabout. Take the right junction (3rd turn) for Maidenhead A4.
- This is a dual carriageway which you follow until you come to another roundabout. Go across (3rd Junction again) so that you continue to follow the signs for Maidenhead and remain on the A4.
- This dual carriageway goes up a hill to another roundabout with a petrol station in the middle of it. Go around the roundabout in the left lane, at this point the road forks. Take the fork left to remain on the A4 for Maidenhead and Sonning. Follow this fork.
- Follow the road for a few hundred yards until you see a left turn sign-posted Sonning and Reading Rugby and Cricket Clubs. Take this left turn.
- Follow road 3/4 mile into Sonning and further 1/4 mile through Sonning. You will come to a mini-roundabout where you need to turn hairpin left.
- You drive down a hill over a couple of speed ramps and around a corner to a bridge with traffic lights.
- Go over the bridge and follow the road out of Sonning to a roundabout which you drive straight across.
- Follow the road for about 1/2 mile to another roundabout. Take the left turn for Reading and Caversham.
- Follow the road for about 1/4 mile to some traffic lights. Take the right lane at the lights - this is signposted Caversham Park Village.
- Turn right at the lights and immediately take the first turn left into Lowfield Road.
- Follow Lowfield Road up the hill and take the 5th turn on the right for Farnham Drive. Follow down into the car park and we are the large office in the corner with Osirian Consulting as our sign.
